

Great is His Faithfulness!

“For the LORD is good and his love endures forever; his faithfulness continues through all generations.”

Psalm 100:5

Seminary 2010 Awards

We are very thankful to the Lord for his goodness! We are also very blessed to have you all praying for us and supporting our ministry. After the first year of studies in the Masters in Divinity Program, Jose was awarded with the “Best Expository Preacher of 2010 Award,” after being selected by the votes of the students and the faculty of the seminary. He also received the “Kenoyer Missionary Award” for his academic achievement and missionary service. We are very excited to see how your prayers for us are being answered. Thank you!

Graduation

After years of hard work, Jose finished his undergraduate studies last fall. Two weeks ago we had the privilege of traveling to Moody Bible Institute to attend the commencement ceremony.

We want to share the great news with all of you who have made this possible with your prayers and financial support. Jose received the “Magna Cum Laude” High Honors Blue Medal for his excellent academic achievement.

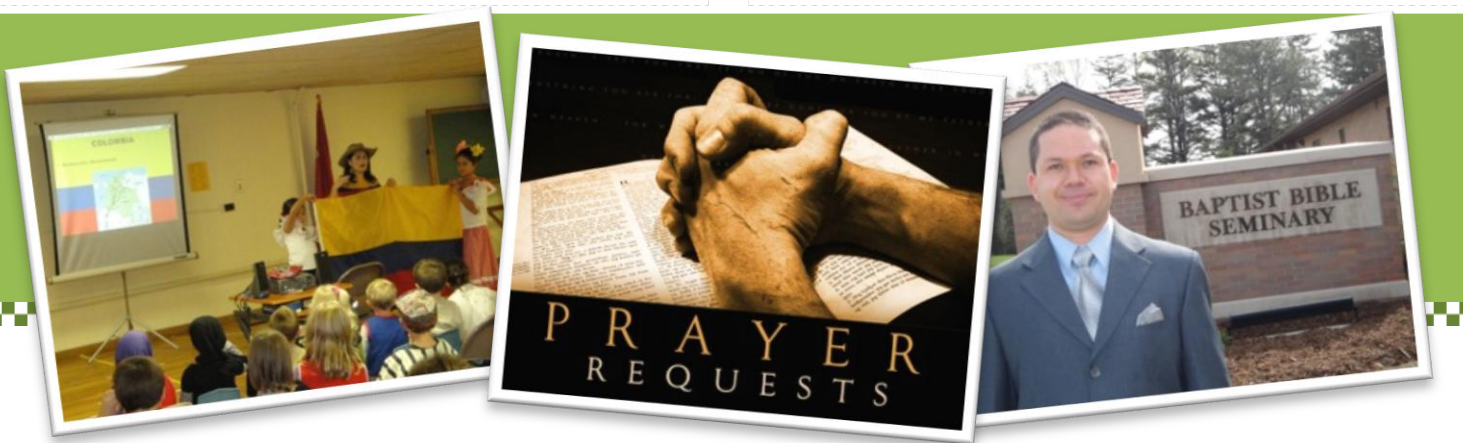

Praise the Lord!

Please Pray for...

- This month we have a very special prayer request regarding finances. Jose's summer classes cost \$ 3500. The Lord already provided \$ 1000 but we still need \$ 2500. Please join us in prayer for God's provision for this important matter before the end of July.
- We also need your prayers for strength. We have been sharing our ministry and vision in different churches from the border of New York and Canada to Baltimore Maryland almost every weekend. As you can imagine, this routine has been draining our energy and stamina.
- We will be visiting other churches during the summer and we ask your prayers because we still need 25 % of our monthly budget. Please pray that the Lord would give us more financial and prayer partnerships.
- Karina's health has been affected this past week. Please join us in prayer so she can feel better soon.
- We need your prayers for the Bible Institute that we want to start in Bogotá. Please pray for our studies here in the U.S. and all the things needed to accomplish our goal to train 200 pastors by the year 2020!
